

## Freederm Gel

### Uses

For the topical treatment of mild to moderate inflamed acne spots and pimples.

### Dosage

Adults, elderly and children: apply to the affected area twice daily after the skin has been thoroughly washed with warm water and soap. Caution: Avoid the eyes and mucous membranes, including those of the nose and mouth. If excessive dryness, irritation or peeling occurs, reduce usage to once daily or every other day.

### Format and Ingredients

Translucent gel containing:  
Nicotinamide 4% w/w,
