Category

Footcare

Manufacturer

RB UK

Pack size

Pen and liquid

RRP

£9.99

Legal Status

MD

Uses

For the fast acting treatment of corns.

Format and Ingredients

Pen

Dosage

Step 1: Hold pen at an angle and scrape towards you to gently exfoliate the top layer of the corn. Should be repeated every third day to exfoliate softened or broken down skin from the corn.

Step 2: Using the targeted applicator, cover the whole of the corn with the liquid (1-2 applications).
