

Scholl Fungal Nail Treatment

Category

Footcare

Manufacturer

RB UK

Pack size

3.8ml + 5 files

RRP

£19.99

Legal Status

MD

Uses

For the treatment of mild fungal nail.

Format and Ingredients

File and clear nail liquid

Dosage

Week 1: File the surface of the nail once a week, disposing of the file after use. Apply the nail liquid to the infected nail daily. Repeat for weeks 2, 3 and 4. Week 5 onwards apply the nail liquid to the infected nail once a week for 9-12 months until the discolouration has grown out.
