

Kelo-Cote UV

Uses

For the treatment and prevention of old and new hypertrophic and keloid scars resulting from burns, general surgical procedures and trauma wounds.

Contains SPF30 to protect scars from the aggravating effects of the sun by preventing sun-induced redness and hyper-pigmentation.

Dosage

Adults and children aged 3 months and over: apply twice daily, 30 minutes before sun exposure.

Format and Ingredients

Gel containing:
Polysiloxanes, Silicon Dioxide,
