

## Bio-Kult Advanced Multi-strain Formulation

### Uses

### Dosage

Adults 1-2 capsules once or twice daily with food. If taking 2 or more capsules the dose may be split between meals. If taking antibiotics, take four capsules daily, ideally at a different time of the day to the antibiotics. Continue taking for at least 2 weeks after completion of the antibiotic course. Travellers: follow guidelines for general use for 2 weeks before travel then 4 capsules daily during travel and for at least 2 weeks after. Children 3-12 years: half to 1 capsule once or twice daily with food.
