

## Radian B Pain Relief Spray

### Uses

Symptomatic relief of muscular and rheumatic aches and pains including fibrositis, sciatica, lumbago, sprained ligaments, bruises, muscle stiffness, strains, tennis elbow and golf shoulder.

### Dosage

Over 12 years: spray in 2 or 3 short bursts onto the affected area, followed by a second application after 10-15 minutes. Smooth or massage if preferred. If necessary, repeat up to 3 times daily, reducing to morning and evening when acute symptoms subside. When convenient use after a warm bath. Not to be used if allergic to aspirin. Under 12 years: not to be used.
