

Puressentiel Anti-Lice Complete Treatment Lotion + Comb

Uses

Dosage

Adults and children over 3 years: apply generously, section by section, to dry hair, ensuring each hair is completely covered. Leave to work for 10 minutes then hair should be washed with usual shampoo. Hair should be combed through carefully with the lice comb to remove the nits, larvae, and dead lice. A second application is required 3 days later. For long hair: 1 bottle = 1 person, Mid length-short hair: 1 bottle = 2 -3 people. Children under 3 years, pregnant or breastfeeding woman: not to be used.
