

Lanacane Creme

Uses

Symptomatic relief of minor pain, itching and irritation in localised skin conditions, such as insect bites, nettle stings, minor skin abrasions and external genital and external anal itching.

Dosage

Over 12 years: apply a small amount to affected area up to three times daily. If pain persists for more than 7 days, or worsens, medical advice should be sought.
Under 12 years: not suitable.

Format and Ingredients

Creme emulsion containing:
Benzocaine 3%,
